Selectmen's Meeting

HARBOR DESTRUCTION

Selectmen discussed with Harbormaster
Karl Collyer the recent vandalism in Matta-
poisett Harbor in which vandals wantonly
destroyed so much boat equipment and motors.
Collyer has spent many hours in harbor pa-
trol to protect these boats and said that
motor vehicle officials are also on patrol.
The hours spent were not foreseen in the
harbormaster's budget. Selectmen William
Hubbard, acting as chairman in R. William
Blasdale's absence, asked that Collyer
continue his surveillance and protection and
said that the Board of Selectmen would
back his request for funds to protect the
harbor.

Member F.D.I.C.

People who bank with us come from all over, not just Fairhaven. Westport, Dartmouth, Acushnet, New Bedford. Marion, Mattapoisett, Rochester and Wareham. Even as far away as the Cape and Rhode Island. It's our guess (that) they've discovered we're really not so far away when it comes to sound money management.

The next time you need money for business or personal use, or would like to put your extra dollars to work profitably, give our banking professionals a try. We're very good at listening to money problems and a lot closer to home than you might think.

percentage basis. Mr. Michalski also discussed easements along the railroad bed. Nine parcels are involved and a 30-foot wide easement will be necessary for the connection to Fairhaven. The Selectmen said that a Special Town Meeting will be held in the latter part of August on the sewer business.

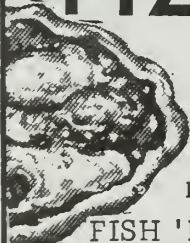

Selectman John DeCosta, who met recently with the Board of Fire Engineers, asked about plans to notify public safety officials of digging in the town streets so that police and fire officials can plan alternate routes. Mr. Michalski said that the contractor will coordinate digging with these officials so that they will be aware at all times of what is open and what is not and can plan a route to by-pass the open trenches.

COMMITTEE ON STREETS

Selectmen met with a new committee formed to take care of a long standing problem. The Pre-Sub Division Control Law Streets Committee chaired by Arthur McLean will aid residents who live on streets laid out before the present requirements were in force. Since many of these streets do not meet the

The Selectmen would like the committee to work with residents to give them aid and advice on improving the roads so that they could be taken to the town meeting in a progressive and orderly fashion so that townspeople could consider acceptance. The Selectmen are concerned about these residents who live on these non-conforming streets and want to extend them whatever aid the town can in keeping them in repair and helping them to bring them up to a minimum standard for acceptance.

COMMENDATION LETTER

A letter dated July 8th from Abel Couto of 115 Fairhaven Road commended the police department for their quick response and professionalism. Mr. Couto called the ambulance to aid his brother-in-law who suffered a heart attack. He said that Officer Pina arrived in less than 5 minutes and the ambulance came in less than 10 minutes. Mr. Couto credits the quick response and professional assistance from the ambulance crew and Pina for his brother-in-law's early discharge from the hospital.

TEA SETS ON DISPLAY

A large display of china tea services are now ready for your viewing at the Museum. Many are very rare and early design.

These sets, many of which were brought from Europe in the China Trade era, are fine examples of the lovely china that found its way into many Mattapoissett homes. They are colorful and pleasing in design and quality. China such as this has never been surpassed in beauty of the centuries.

Sets will be on display during the month of August.

The exhibit of old pictures has changed again!

at the Museum for all ages through 16 years.

Any medium can be used and for originality there will be three categories: pictures of historic sites in Mattapoissett, whaling and boating scenes, birds, wildlife and wild-flowers (all native to Mattapoissett).

Pictures or paintings must be mounted or done on a firm board such as illustration board, any size.

BOOKMARK CONTEST

Along with the pictures you are invited to design a new bookmark for the Mattapoissett Public Library. The library is looking for a bookmark that will have the library hours printed on one side and they would like you to design the other side. It should be attractive and meaningful to the library and Mattapoissett. They will be judged and the winning design will be the official library bookmark for the year.

Rules for bookmark design: size 4 1/2" x 12 1/2" (design to be reduced); white poster paper; black ink, felt tipped pen-pencil.

There are only two weeks before the show so we hope all will get busy. Let's see

Playhouse Opens

The grand opening of the Gateway Playhouse, a community repertory theater staffed by professional actors and directors and training ground for amateurs since 1972, will occur Saturday, August 6th, at 8:30 P.M. The restored Old Colony Freight Station is located behind the Town Hall in Wareham on Route 6. The gala performance selected for the event is Sean O'Casey's "Pictures in the Hallway", a moving and humorous Irish tale suitable for the entire family. The cast includes Dorothy (Lizzie Borden) Taylor, Kevin Michael Feeley, Kay Carter Blaha, Tom Gillmore and Selectman Daniel P. "Biff" O'Connell, Jr. as the narrator.

The production is directed by award winning director George W. Hayden and features flute music by Chris Gaucher.

Join the cast and company for a champagne toast and buffet by Chef Giuseppe Scichilone celebrating Wareham's first legitimate theater. Additional performances of "Pictures in the Hallway" will be given August 11-14, 19 and 20 at 8:30 P.M. with a Senior Citizens and Students' matinee Saturday, August 13 at 2 P.M. Reservations may be made by phone, 295-6768 or at The Gateway Playhouse box office in the new theater.

We are now featuring a beautiful new line of invitations and announcements

LETTER TO THE EDITOR

On the Town Floor and in print, we have often complained about federal and state mandated programs. We must follow their instructions and pay the corresponding taxes. Now we have a situation which is the opposite. Our Rescue Team has recognized a need for life saving equipment which potentially could save any one of us. They are significantly short of their \$7,500 money goal.

LETTER TO THE EDITOR

I am enclosing this letter and a few comments relative to the 8th grade honors Algebra course as taught in the Junior High this past year. I feel it is necessary to call upon you to help inform parents and taxpayers of the three towns as the reporting of the situation by the Standard-Times has, at best, been misleading and confusing, such as reported July 27: "No parents were in attendance at the last meeting." This would appear on the surface to mean that the parents were no longer interested. On the contrary, the parents were informed prior to the meeting (as was the press) due to vacations, the matter would be dealt with on August 23. I, for one, and I know of many other parents, do plan to be in attendance at the meeting.

THE LETTER:

July 19, 1977

To: Mrs. Patricia Ryan, Chairperson
Old Rochester Regional School Committee
and Dr. Joseph Kunces, Superintendent of
Schools, Old Rochester Regional School
District

Dear Mrs. Ryan and Dr. Kunces:

"At the last School Committee meeting a number of parents of students in the eighth grade Algebra class attended your meeting for the purpose of determining what factors may have contributed to the poor grades and lack of understanding of the subject. After a report was presented by Mr. Pasquill and many questions were asked by School Committee members, it was decided that a complete study would be made of "all facets" of Algebra I. As an interested and concerned group of parents, we would like to request that the study include answers to the following questions:

"1. How many students are in each Algebra class without recommendation of the previous math teachers and/or without passing the prognostic test, by class?

"2. What is the certification of the present Algebra teachers in the Junior High School?

"3. What were the following scores and

b. All the Eighth Grade Algebra students for the past five years, and resulting curve?

"7. What was the Administration's rationale for scheduling an honors Algebra course in the last periods of the day; and where did this same course fall within the schedule for the past five years?

"8. Is there a problem in communication among teachers, Guidance Department and Administration?

"9. From what source did Mr. Pasquill obtain his figures pertaining to the quality and use of the text book, and when were those figures obtained?

"At the last meeting there was no indication when the Administration would report its findings. Because of our sincere desire to see the problem resolved, we hope to see the Algebra program on the agenda at your next meeting on July 26, along with the answers to some of the questions we have raised. We plan to be in attendance at that meeting, at which time we are hopeful that our mutual concern for our children will lead to a satisfactory solution of the matter.

"We would be very grateful to receive a copy of your agenda for July 26 so that all the parents involved can be notified of the exact time they should be present.

Betsy Ann Wood, Parent Representative"

Marion representative, Marshall Severance, felt getting answers to the questions asked in the letter could take a long time and might be costly. Also, he felt a check of one class might lead to parents questioning other classes. Is it not the administration's responsibility to know the answers to these questions for all courses regardless of whether a group of parents question a program or not? Is it not the administration's duty to evaluate all classes on an ongoing basis? If this is true, getting answers to these questions should prove neither costly nor time consuming.

Sincerely, Betsy Ann Wood

WHERE IS IT?

In last week's Presto we pictured an old photo of a Mattapoissett home, compliments of the Mattapoissett Historical Society who is having an exhibit this summer at the Museum of old pictures of Mattapoissett.

The picture, last week on page 10, was the J. Burbank's home, 1897, and is now the home of the Lee Roots, Hammond Street.

SALTMARSH WALK

This Saturday morning, the Children's Museum will be leading a walk to one of the local saltmarshes. The plants and animals found on the marsh will be pointed out as well as the value, both economic and asthetic, of the marshes.

This walk will begin at 10 A.M. this Saturday, August 6th, at the Museum Outdoors. Visitors should dress for the occasion. All adults as well as children accompanied by an adult are welcome. Admission is free.

MEET THE ANIMALS

Come to the Children's Museum every Friday afternoon to meet and learn about the animals in and around the Museum. Each Friday afternoon will feature a dif-

Little League

MATTAPOISETT LITTLE LEAGUE ALL-STARS
PLACE 3rd IN ACUSHNET TOURNEY

The Mattapoissett Little League All-Stars, comprising 13 Mattapoissett and 3 Rochester boys, recently participated in the double-elimination Acushnet Tourney along with 12 other all-star teams. Mattapoissett, playing thrilling and inspired baseball, won 4 games before losing its second. The team finished in 3rd place in the tourney, the best record a Mattapoissett squad has ever achieved in the 12 years of the Acushnet competition. Only the New Bedford Americans (champions for the 5th consecutive year) and the Fairhaven "A" team fared better this year.

For their exceptional play, two Mattapoissett lads were named to 9-member All Tourney All-Star team --- Billy Haymaker and Steve Baggarly.

Game-by-game highlights:

Game 1: Mattapoissett 16, Marion 3

Led by Haymaker's booming bat and Baggarly's capable pitching, Mattapoissett trounced the Marion All-Stars. Billy smashed 3 hits, including 2 home runs, one a grand slam. Chris Riley also chipped in with 3 base hits, while "Putt" LaPlante scored 2 runs.

Game 2: Mattapoissett 9, Acushnet 0

Billy Haymaker simply overpowered the Acushnet All-Stars, hurling a 1-hit shutout while whiffing 15 batters. He also socked his 3rd homer of the tournament. First baseman Steve Baggarly walloped 2 home runs in the game, one with the bases full, to account for 5 runs. Dave Hubbard and George Kirby each scored 2 runs.

Game 3: Dartmouth 6, Mattapoissett 5

Flawed only by a couple of critical errors, this was a close, tense, well played ball game. Two Dartmouth homers were countered by four-baggers belted by Chris Riley and Steve Baggarly (his 3rd of the tourney). Steve, Jim Frenette, Dave Hubbard and Steve Lopes

had 2 hits apiece. Frenette also made a fine catch in right field, robbing Dartmouth of another home run.

Game 4: Mattapoissett 9, Acushnet 3

Haymaker, Baggarly, and Kirby combined to hurl a 5-hit victory which eliminated Acushnet from the tournament. Billy Purtell, Steve Lopes, and "Putt" LaPlante paced the hitters with 2 safeties each. Mattapoissett's 11-hit attack featured towering homers by Purtell, Lopes and Chris Riley (his second).

Game 5: Mattapoissett 11, Whaling City (NB) 4.

Mattapoissett parlayed 7 hits, effective pitching, hustle, and some loose Whaling City fielding into a richly-deserved victory which forced the New Bedford team's exit from the tourney. Lopes, Haymaker, Kirby, Baggarly, and Purtell each scored 2 runs in the romp.

Game 6: Fairhaven "A" 6, Mattapoissett 1

A strong Fairhaven club ended Mattapoissett's "impossible dream" of a championship with a combination of timely hitting and a 4-hit pitching performance. The bright spots in the

game for Mattapoissett were 2 hits by Billy Purtell and the continued sparkling defensive play of shortstop George Kirby.

Despite this loss, the boys are to be commended for the outstanding and truly exciting brand of baseball which they had played over the course of two weekends. In finishing 3rd in a tourney which included 13 teams, they accomplished far more than most observers would have predicted.

Rochester players on the team are Jim Frenette, George Kirby and Dennis Mello.

Boys representing Mattapoisett are Steve Baggarly, Billy Haymaker, Dave Hubbard, Gerald Lanagan, "Putt" LaPlante, Danny Lee, Scott Litchfield, Steve Lopes, Frank McKeone, Billy Purtell, Chris Riley, Mark Riley and Mark Sanford.

The team, which next competes in the Greater New Bedford tournament starting the first weekend of August, is managed by Rochester's Jerry Carreau, assisted by George Haymaker and Bruce Baggarly.

LITTLE LEAGUE LAKEVILLE TOURNAMENT

O'Connell of Stoughton, with his Tiant style motion, gave Mattapoisett its first setback of the tournament. He struck out

12 Mattapoisett batters and allowed only 5 hits. While Mattapoisett was having trouble hitting, their defense was excellent. Joey Rocha and Drew Frazee made diving stops of ground balls that ended threats that could have broken the game open early. Only 3 Mattapoisett batters were able to find holes in the Stoughton defense. Joey Rocha and Brendan MacDonald had two hits apiece and Drew Frazee had one. The final score was 9-2.

In their next outing, Mattapoisett stunned a fine Middleboro "9" by a score of 5-1. Shawn McCabe pitched a 3 hitter and was backed by an errorless defense. Mattapoisett unleashed a 10-hit attack and only Middleboro's defense prevented the score from skyrocketing. Joey Rocha, Spencer Blasdale, and Drew Frazee each had two hits apiece while Chris Carvalho, Brendan MacDonald, Shawn McCabe and Kevin Sweet had one hit each.

STUDDS ANNOUNCES WHITE HOUSE FELLOWSHIP PROGRAM

Congressman Gerry E. Studds, D.-Mass., announced that applications for the 1978-79 White House fellowship program are now available.

Each year, 14-19 highly motivated young people will be eligible through the program to serve as special assistants to Cabinet members and to participate in an extensive education program consisting of off-the-record seminar meetings with national government leaders.

The program brings the vigor of youth and the freshness of new ideals and approaches into Federal Government. The individuals selected return to their former careers after their year in Washington with a thorough understanding and working knowledge of the process of government at the highest executive level.

Further information about this unique program may be obtained by writing: President's Commission on White House Fellowships, Washington, D.C. 20415, or Congressman Studds' office, 1511 Longworth House Office Building, Washington, D.C. 20515.

TO ENTER WHEELOCK COLLEGE

Cory Suchman of Point Connett, Mattapoisett, will enter Wheelock College in Boston this September where she will specialize in early childhood education and development.

Wheelock was one of the first colleges in the country to prepare men and women for professional careers working with young children. The college was founded in 1888.

More than 94 per cent of last year's graduates found employment, mostly in child-related fields.

Wheelock graduates teachers in elementary

schools, day care centers, nursery schools, infant and toddler programs, museums and hospitals.

LEAGUE PHONE BOOK PROJECT

The Telephone Book Committee of the Marion-Mattapoisett League of Women Voters met at Jay Crowley's in Marion Thursday, July 28. The members reported that both Mattapoisett and Marion merchants, businessmen and professionals have been very supportive of the League's efforts to solicit advertisements for the forthcoming Phone Book. They have not only taken ads but have made helpful suggestions and provided leads to other possible advertisers.

The LWV Phone Book will have separate sections: one for Marion, one for Mattapoisett. It will have a classified and a professional directory and, in line with the League's service objectives, it will

also contain emergency, community and voter information, and the advertisements without which it would not be able to exist.

Present at the committee meeting were Barbara Ketchel, Carole Suchman, Genevieve Waterhouse of Mattapoisett, and Margie Baldwin, League President, Liz Brainard, Jay Crowley and Martha Tuttle of Marion. The Committee also discussed what to do about businesses etc. which, through sheer lack of personnel, might have been missed. It was decided to publicize the fact that anyone who has been overlooked and wishes to advertise or learn more about the Phone Book should call or write Genevieve Waterhouse, 20 North Street, Mattapoisett, 758-2498; or Jay Crowley, 604 Point Road, Marion, 748-0301.

The Committee agreed to spend August winding up its local campaign and approaching selected merchants of adjacent communities who might be interested in Mattapoisett and Marion clients. The next meeting will be on August 16 at Jay Crowley's.

MUSCULAR DYSTROPHY CARNIVAL KITS AVAILABLE.

The Muscular Dystrophy Association has announced that Backyard Carnival Kits, a major emphasis in their fund-raising activities, are now available in the New Bedford area from Janet Meunier, 155 Lawrence Street, New Bedford (tel. 995-2858).

Developed to enable children to become an integral part of the Muscular Dystrophy program, the Backyard Carnival is a simple project for kids to put together themselves. The Carnival Kit comes complete with letters from Ronald McDonald and Jerry Lewis thanking the children for their interest in the Muscular Dystrophy Association.
